

UNITED STATES BANKRUPTCY COURT

DISTRICT OF NEVADA

In re

CARTWHEEL ROBOTICS, INC ,

Debtor

Case No BK-S-26-50278-HLB

Chapter 7

NOTICE REGARDING LACK OF DIRECT NOTICE, UNAVAILABILITY, AND RESERVATION OF RIGHTS

I, Samantha Conway, appearing pro se and solely on my own behalf, respectfully state as follows

- 1 I understand that references have been made to an order that may designate me to perform certain duties relating to the Debtor
- 2 As of the date of this Notice, I have not received any direct notice, service, instructions, deadlines, or other communications from the Court, the Chapter 7 Trustee, or any representative acting on behalf of the Trustee regarding any such designation or obligations
- 3 I understand that my contact information has been provided to the Trustee
- 4 I am willing to cooperate in good faith to the extent reasonably possible with any lawful obligations properly imposed by the Court. However, I have not received direct notice of

any such obligations and cannot reasonably be expected to act based upon secondhand information

- 5 I have not been employed by the Debtor since December 2025 and do not currently have access to the Debtor's books, records, or systems
- 6 As previously disclosed to the Court in ECF No 71, I have longstanding travel commitments scheduled from July 5, 2026 through August 10, 2026. These commitments were long-planned, arranged, and paid for well before I had any notice or expectation that I might be designated to perform duties in this case.
- 7 During this period, I will be traveling through areas with limited or unreliable internet and cellular service and cannot reasonably be expected to attend hearings, participate in examinations or meetings, prepare filings, respond to case-related requests, or otherwise meaningfully participate in matters relating to this case during that period.
- 8 The travel arrangements and related commitments were planned and paid for well in advance. Modifying, delaying, rescheduling, or cancelling any portion of those commitments at this stage would impose a substantial financial and logistical burden not only on me, but also on other individuals whose schedules and commitments are dependent upon those arrangements.
- 9 Nothing in this Notice shall be construed as a waiver of any right to object to, seek clarification of, or otherwise challenge any designation or obligation that may be asserted with respect to me. While I am willing to cooperate in good faith to the extent reasonably possible, I do not believe I am currently in a position to perform the responsibilities of a designated representative for the reasons stated herein and in ECF No 71.
- 10 If the Court or Trustee expects me to perform any duties, I respectfully request direct written notice specifying the nature and scope of any obligations and any applicable deadlines.

11 This Notice is submitted to advise the Court of the foregoing facts, preserve the record regarding the lack of direct notice, advise the Court of my unavailability during the period identified above, and reserve all rights regarding any obligations that may be asserted with respect to me

Dated June 24, 2026
